Dear Vickie Caddell:

This email is to acknowledge that the Public Service Commission of South Carolina has received your Letter of Protest. Please be advised that your Letter of Protest will be placed in the Protest File of the Docket listed below and on the Commission's Website at www.psc.sc.gov.

- Docket No. 2020-125-E - Application of Dominion Energy South Carolina, Inc. for Adjustment of Rates and Charges (See Commission Order No. 2020-313)

A Protestant is an individual objecting on the ground of private or public interest to the approval of an Application, Petition, Motion or other matters which the Commission may have under consideration. A Protestant may offer sworn testimony but cannot cross-examine witnesses offered by other parties.

According to the Commission's Rules of Practice and Procedure, filing a Protest does not make you a Party of Record. A Protestant desiring to become an Intervenor (i.e., a Party of Record) in a proceeding before the Commission may file a Petition for Intervention within the time prescribed by the Commission.

You can follow this Docket and other daily filings made at the Commission by subscribing to the Commission's Email Subscriptions at: <https://dms.psc.sc.gov/Web/Email>; or you may follow specifically Docket No. 2020-125-E at: <https://dms.psc.sc.gov/Web/Dockets/Detail/117462>.

If we may be of further assistance to you, please do not hesitate to contact us.

Sincerely,

Becky Latimer

DOMINION ENERGY:

In response of your notification regarding rate hikes, I would like to state my opinion. I am retired and live on social security - my only source of income. I do have an annuity which will run out. Shortly - I do not count this as income - it was given to me when the hospital changed hands years ago and I may have only 2 years left on it. However, since I retired in about 2010 or 2011 - I have cut my expenses as far as I can go. Just in 2020 charges have been more affordable for me; I do think they are still to high. Considering how I'm conserving at home, we have already been taken on a ROYAL TRIP OF A LIFETIME by SCE&G in regard to Plant Vogtle ^{SP?}. I would like to speak for all the people in my same position and elderly and ask that you please take us in consideration - due to the CORONAVIRUS I'm not working on my PRN job at the Hutton Head Hospital and cannot go back to work until there is improvement in the COVID-19 situation, I struggle to survive and I know others who struggle ~~has~~ well. Even if there were a brake of some sort, for those who do work hard

with
Dominion

Trying to live out our lives without
 the help of government sources. We
 feel we worked hard and willing to
 pay our share - Everyday in America
~~with~~ such critical times people are
 seriously struggling - get up - up &
 away with price hikes and it just
 seems unfair, I do not have cable
 or internet and I'm not running
 around spending money I don't have
 to begin with! I rent and yes
 I'm surviving on my own and
 sometimes saving on food and
 other necessities, not to account
 medical expenses, pharmacy, etc.

Please, I ask of you to consider
 the struggling force in our society
 I know many people today are
 taking advantage of the USA in general,
 but we who are law abiding citizens
 should be given a break! Your help
 would be appreciated. Thank You —

Vicki Castelli
